SCAFFOLDING REGULATIONS —

Council Wants To Keep Control

Altona Council will support the Municipal Association of Victoria in its opposition to a plan to give the Department of Labour and Industry administrative control over scaffolding regulations.

The City Building Surveyor told Council Altona had three qualified scaffolding inspectors and added that he felt this arrangement ensured the administration of regulations was close to the people concerned, thus minimising inconvenience.

"Local Government administration of scaffolding inspection provides an effective force of approx. 378 scaffolding inspectors throughout the State, who by combining this duty with their duties as building inspectors, have a continuing knowledge of the types of buildings being erected, their rate of progress and times when scaffolding inspections are required," the Building Surveyor told Council.

"It now appears that the Department of Labour and Industry considers that safe working from scaffolding is similar to safe working factory premises, and seeks to take over the existing Scaffolding Regulations together with the powers to modify and promulgate new regulation and their administration, throughout the State.

New Automatic Exchange For Altona

The Postmaster-General, Mr. Alan Hulme, has advised Dr. J. F. Cairns, M.P., that on Sunday at approximately 8 a.m., modern type automatic equipment, comprising 2,600 subscribers' lines, came into operation in the new telephone exchange building, located at 53A Blyth Street, Altona.

All Altona subscribers' services were transferred to the new equipment.

The new solid brick building was erected by J. A. Hutchinson, of Essendon, at a cost of \$75,500, and can be extended to meet development.

Design and construction was arranged by the Commonwealth Department of Works, from functional data and plans submitted by the Post Office.

Simultaneously with the transfer, all Altona (398) subscribers gained access to Subscriber Trunk Dialling (STD), enabling direct dialling of trunk calls to places such as Sydney, Canberra, Brisbane, Adelaide, Hobart, and, in fact, to over 1,000 centres throughout the Commonwealth.

The Post Office is undertaking a publicity campaign to ensure that Altona subscribers are fully conversant with the new facilities.

"This would cause great inconvenience to metropolitan and country builders alike."

Cr. W. Crofts said he had received no complaints about the Council's control of the regulations during his time as a councillor.

COUNCIL ACCEPTS APEX PARK

Altona Council has agreed to take over full responsibility for the Apex Park from Altona Apex Club.

A deputation from the Apex Club told Altona's General Purposes Committee that it had spent six years on the Apex Park project, but now found its activities were so diversified it was unable to devote sufficient time to the project.

The club considered that the section completed to date should finish the project. The deputation said the club had \$500 available to spend on the park and it suggested that this be used on a railway engine or a drinking fountain.

The club asked that the name "Apex" should be retained for at least the developed part of the park.

The Council will arrange an appropriate handover ceremony and erect a suitable sign at the park.

Kindergarten To Open

The Minister for Health will be invited to take part in the official opening ceremony of the Altona West Kindergarten.

The date for the opening has not yet been fixed, but the Council hopes to have the kindergarten occupied as soon as possible.

The contractors for the kindergarten will be fined \$60 to compensate Council for additional rental payable on a temporary play centre while completion of the building was delayed.

Building Appeal

George Wimpey & Co. Ltd. have appealed to the Building Regulations Committee over an Altona Council ruling in respect to a proposed footing system for a building to be erected in McIntyre Drive, Altona.

WANTS PARKING POLICED

Mr. G. Shanahan, McArthur Road, Altona North, wants Altona Council to take action on cars parking on vacant land near the Altona North Post Office.

Mr. Shanahan also asked that the "No Standing" zone in McArthur Road, in front of the high school, be policed more often. He asked that a "No Standing" zone be created on the north side of McArthur Road between Duke Street and Borrack Square, to eliminate the hazard caused by parked trucks.

The City Engineer, Mr. R. Simmons, said Council could not stop cars parking on the land near the Post Office, but said Council had authorised the placement of posts along the front of the block and across the footpath to prevent cars being driven on the footway.

He said prohibition of parking on the north side of McArthur Road would result in the loss of car parking spaces, but said the Traffic Officer would police parking near the intersection, as well as outside the school.

PINE TREE IS ROTTEN

Parts of the old pine tree removed from the corner of Pier and Queen Streets were too decayed to justify preservation treatment, Mr. R. C. Simmons, City Engineer, told Altona Council last week.

He said a section measuring 8'4" was cut from the tree at the request of the Historical Society. It was planned to treat this with a wax solution to prevent cracking before the condition of the wood was discovered.

"A sample of sound timber from a section of the trunk about eight feet above ground level, measuring approximately 3'6" has also been cut," he said. "It is recommended that the Historical Society be advised that the two sections are being kept moist to prevent cracking pending a decision by the Society concerning the preservation of either of the sections."

The butt of the tree will be placed at the Lindwood Avenue kindergarten as a children's plaything.

OFFER TOO LOW

Solicitors for the owners of land in The Esplanade have refused a Council offer of \$10,000 for the block.

Council offered \$1,000 deposit, with the remaining \$9,000 to be paid after 12 months.

The solicitors said \$11,000 would be accepted, but Council took no action.

THE END OF SOME SMELLS

Petroleum Refineries (Australia) Pty. Ltd. have found the reason why odours and vapor are emitted from two gutter inlets in Kororoit Creek Road, adjacent to the pipebridge between the refinery and the tank farm.

The company told Altona Council last week that some time in the past it gave permission for drainage from the inlets to enter its main outfall sewer, which connects the oil separator to the skimming and settling ponds in the southern part of the tank farm.

"These gutter inlets do not have seals to prevent odours and vapors from the hot effluent drifting back up into the roadway area, thereby giving rise to occasional complaints from motorists passing along this section of Kororoit Creek Road," the company told Council.

"A further point is that the discharge of the Kororoit Creek Road gutter run-off into our effluent system is adding an additional load to the system, particularly during heavy rains."

"This is the period when maximum capacity is required to ensure our facilities adequately treat the effluent and provide an acceptable discharge into Kororoit Creek."

"We, therefore, request that alternate arrangements be made to handle the run-off from that portion of Kororoit Creek and the inlets to our system be sealed."

"Due to the mutual interest we have in solving pollution problems we request that this matter receive the Council's urgent attention."

Council will tell the P.R.A. that it will prevent drainage waters from the road entering its inlets and will ask the company to grant it an eight-foot easement along the boundary adjoining the railway reserve to lead the road drainage into the Kororoit Creek.

Council To Fix Bus

Altona Council will take over the maintenance of the Altona Elderly Citizens' Centre bus.

Two gas stoves, no longer needed at the centre, will be donated to the Altona Working Men's Club.

Chadstone Project For Altona?

Humes Ltd. intends to apply to the Board of Works to rezone the Humes Quarry land (off Duosa Road) to permit development of a "Chadstone" style shopping centre.

A deputation from the company told Altona Council's General Purposes Committee that a Chadstone-style project would be feasible in the area. It would allow for car parking and storage below ground level, and shopping facilities above the ground.

The deputation said development of the quarry area, which covers over seven acres without the residential blocks fronting Duosa Road, as a residential area would be uneconomic.

Council decided it would give favorable consideration if a satisfactory proposal was advanced by the company.

No Funds Yet For Reserve

Altona Council intends to develop the Den Dulk Reserve when funds become available, Cr. P. J. Lynch said last week.

He was commenting on a letter from Mrs. J. MacLeod, of Den Dulk Avenue, who asked what plans the Council had for the area.

Mrs. MacLeod pointed out that the reserve was the only place for children in the area to play, and suggested that it be levelled, grassed and planted with trees.

Mr. R. Simmons, City Engineer, told Cr. D. K. Grant that steps would be taken to put a name plate on the reserve.

TRAIN AIDS CHARITY

Altona Council has agreed to an application by Mr. Clark (Altona Live Amusements) to operate a comical train on Logan Reserve over the Christmas period.

Mr. Clark told Council the train was only operated once last season because of the weather and another carnival operating. He told Council he had built a new train as promised last year.

Ten per cent. of the proceeds will go to the Council for charitable purposes.

Play Centres Successful

A total of 620 children were enrolled at the Altona and Altona North Youth Centres' play centres during January, the National Fitness Council informed Altona Council last week.

The National Fitness Council said the cost of conducting the two centres was \$2,067.50.

"This is something we should be proud of," said Cr. Cr. Carlsson. "The money is being put to good use."

No Door Knock For Army

The Salvation Army will be told that Altona Council intends to adhere to its present policy on door-knock appeals.

Council received a submission concerning an application by the Salvation Army for a charitable appeal.

TALKS ON LIBRARY

Miss C. Paltridge, Altona City Librarian, and Mr. J. Waters, Town Clerk, will meet Williamstown Council to discuss proposals to increase borrowers at the Altona East Branch Library.

Altona Council will pay a \$4 subscription for the librarian to attend the opening of Australian Library Week at the Victorian Arts Centre on June 5.

SOLOMANO - CLIFFT WEDDING

Mr. and Mrs. Alan Solomano leave Christ Church of England, St. Kilda, after their marriage on May 9.

The bride is the younger daughter of Mrs. Nellie Clift of Euroa and the groom is the only son of Mr. and Mrs. A. Solomano of Jubilee Street, West Newport.

A gown of heavy satin trimmed with guipure lace was worn by the bride and her full length coat fell into a three foot train. Her long veil was held in place by a band of roses and she carried roses and lily of the valley.

Matron of Honour was the bride's sister Mrs. Joy Hawke and bridesmaid was Vera Masur. Both wore satin backed shantung.

Best man was John Taylor and groomsman Alan White.

A reception for 40 guests was held at the Prince of Wales Hotel in St. Kilda.

EDITORIAL

LARRY FLOYD

We congratulate Mr. Larry Floyd for his election for the sixth successive term to the Williamstown seat in the State Assembly.

In only one aspect he is not likely to emulate his predecessor the late Mr. Lemon. Mr. Floyd can hardly, like him, become the father of the House with 51 years service.

But in his knowledge and respect of the rules of the House, and as a speaker for Williamstown, he has carried on in the tradition of Mr. Lemon.

He has served his party well. For nine years secretary of the Parliamentary Labor Party, he has also acted as shadow Minister for Water.

Larry, in his undoubted support of the Labor Party, always puts Williamstown first, and by Williamstown he means its people.

The way of life of the people of Williamstown and Altona, their problems and their needs are known to him and he is always their advocate.

For he has been much more than the member for Williamstown. He is a citizen of Williamstown and he has always taken his part with other citizens in the community interests of this city.

It is probable that many of those whose party convictions led them to vote for another candidate would agree on the worth of Larry.

They may disagree with him on party grounds but they are at one with his more formal supporters in believing that Larry Floyd, M.L.A., does speak and speak well for Williamstown.

STATE ELECTIONS

Retiring members were re-elected in the local electorates of Williamstown, Sunshine and Gisborne.

Mr. W. L. Floyd, Williamstown, Mr. D. Lovegrove, Sunshine and Mr. J. Doyle of Gisborne were successful in the Assembly — in each case gaining an increased percentage of votes.

Also successful was Mr. R. Walsh who stood for the Melbourne West Province of the Legislative Council in place of Mr. A. Todd who had retired.

GELLIBRAND DISTRICT CUB PLAYTIME

On Friday night at Altona North Technical School, nine cub packs in the Gellibrand District took part in the first Playtime of this area.

1st Werribee, 2nd Werribee, 1st Laverton, 1st Altona, 2nd Altona, 3rd Altona, 4th Altona, 3rd Williamstown and 4th Williamstown packs entertained a capacity audience with short plays, interspersed with one minute items in front of the curtain.

Official guests included the Mayor and Mayoress of Altona, Cr. and Mrs. P. Burns, Mrs. Ken Stephens (District Commissioner Gellibrand District) and Mrs. Stephens, District Commissioner for Footscray District, Mr. Jim Whittle and Mrs. Whittle, Assistant Area Commissioner for Hoadley Area, Mr. John Ravenhall and Mrs. Ravenhall, Assistant Area Commissioner for Development Mr. Barry Armstrong and Mrs. Armstrong.

Other representatives from local councils were: Cr. and Mrs. L. Croft, Altona, Williamstown and Werribee councils were also represented.

Mr. Lindsay Innes, Assistant District Commissioner (Cubs) welcomed the official guests. He also compered the program.

Each pack presenting an item received a small hide as a memento of taking part in the playtime. The judges, Cr. and Mrs. L. Croft, Mr. and Mrs. K. Richards and Mr. and Mrs. Armstrong had a difficult task and after much suspense for the audience, they finally awarded the winning shield to the 4th Williamstown Pack for their item "The Secret Weapon" which was their interpretation on how the Aborigines invented the boomerang, with a highly original script.

Congratulations to the boys' mothers for the excellent and colorful costuming.

Some of the prettiest "girls" in the Western Suburbs must belong to the Gellibrand District Cub Packs. Well done, Cubs.

ALTONA PRIMARY SCHOOL LIBRARY

With the approach of Library Week attention is once more drawn to the importance of libraries.

Although the City of Altona is fortunate in having a good public library, the Altona Primary School's library still needs much patronage to achieve the standard essential to a child's complete education, for the functions of the two libraries are not identical. The public library is able to complement and further the work of the school library, but it in no way supplants it.

Intelligent use of the library and a love of reading are gained at school where there is opportunity for research while curiosity is stimulated.

Children's access to books at that moment of interest is important for individual research and discovery is being increasingly emphasised in new curricula.

The library at Altona Primary School is far too small to accommodate the average class of children, approximately 6000 books and accompanying furniture.

The school is fortunate in having a part-time assistant to the librarian but the advantage is somewhat offset because both librarians must

teach simultaneously, one in the classroom and one in the library, because of the space shortage. This halves the time on clerical work.

But relief is on the way. The school community is making an all out effort to build a library worthy of the school and its pupils.

The new library will be subsidised by the Education Department. The school's share will be approximately \$5000. To date \$1486 has been raised. Contributors have been —

School Funds \$545, Parents \$208, Pupils \$66, the Mothers' Club \$165, School Committee \$150, Teachers \$95, Union Carbide \$45, Sidney Cooke Chemicals \$20, B.F. Goodrich \$25 Altona-Buslines Pty. Ltd. \$10, Mauri Equipment Co. \$20, RVB Engineering Products \$20, Australian Carbon Black \$60, Petroleum Refineries Australia \$40.

Mr. Kevin Machin, an architect who specialises in school library buildings, visited the school at 10 a.m. on Tuesday to talk to parents and teachers about new developments in school libraries.

Registrations 'Approved'

Altona Council last week approved the registration of 20 premises under provisions of the Health Act. They are:

H. P. Products, starch and gluten manufacture; Pacific Glucose (Aust.) Pty. Ltd., glucose manufacture; Saunders Malt Extract, food processing, all of Pinnacle Road; Peter Boicos, drink sales, J. B. and M. Bartolotta, milk bar; M. Frick, butcher; Paul Leonello, hairdressing; L. Failli, butcher, all of Bor-rack Square; K. A. and B. Matheson, milk bar, sandwiches, Geelong Road; Felix Rymar, milk bar; Mrs. H. A. Joyce, hairdressing, Upton Street; Margaret Wooler, fish and chips; Miss L. R. Friend, hairdressing, Civic Parade.

Angelo Di Dio, butcher; Helen Stylianou, mixed business, The Circle; Barbara Rose Brunner, hairdressing, High Street; M. Bakker, chiropodist, Stapley Crescent; C. and H. Angelakis, mixed business, milk bar; D. Karas, fish and chips, Ross Road; E. H. Dawson, apartment house, The Esplanade.

The registration of Sims Markette Pty. Ltd., self service grocery, Bor-rack Square, has been approved subject to sewer connection within four weeks.

Council will write to the owners of eight premises giving them 30 days to explain why they have not connected the premises to the sewer.

Resignation

Mr. J. Kendall, recently appointed a junior administrative officer with Altona Council, has resigned.

Approval For Flats

Altona Council last week approved land use permits for three blocks of flats. The approvals were:

Mr. and Mrs. Mueller, of Maidstone Street, Altona, permission to use land in Emu Street for two single storey buildings containing six flat units; G. and G. Lentini, Bent Street, Altona, permission to use land in Bent Street for three flat units; R. and O. Polese, Queen Street, Altona, permission to use land in Jurga Court for a two storey building containing four flat units.

Altona Film Society

The Annual General Meeting of the Altona Film Society will be held at the Homestead on Thursday, May 28, at 8 p.m. All members who are interested in the future of the Film Society are urged to be present.

They are: D. Tsilacopoulos, fish shop; A. Karageorgio, delicatessen, mixed grocer, both of Bor-rack Square; J. and A. Laska, licensed grocer and butcher; K. C. Petrol, greengrocer; I. Smith and N. Konez, milk bar; D. Iliopoulos, fruit shop; T. H. McCulloch, butcher, all of The Circle.

MEASLES VACCINATION

Measles vaccination will be available to Pre-school children between the age of 1 year-5 years. Arrangements are as follows:—

Location ALTONA NORTH YOUTH HALL
Date FRIDAY, 5th JUNE, 1970
Time 1.30 P.M.
Location CIVIC HALL
Date FRIDAY, 12th JUNE, 1970
Time 1.30 P.M.

For further details or enquiries please phone the Council's Health Department, 398-2244, Ext. 60, 61 or 62.

Expansion Project On Schedule

Construction of Altona Petrochemical Company's \$18,000,000 plant expansion project is progressing well up to schedule.

This project, which should be completed in about three months time, will enable the seven different companies making up the petrochemical complex at Altona to continue to produce more than half of Australia's plastics and most of the country's synthetic rubber.

Certain pre-commissioning activities will commence early in June. The first sizeable piece of equipment to be commissioned will be a new steam generator or boiler capable of producing more than 160,000 pounds per hour of high pressure steam for running the steam turbine driven compressors in the new plant.

Initial startup procedures necessarily include the setting of safety valves, blowing out of steam lines and some venting of steam to atmosphere. These operations would normally make considerable noise. However, special noise mufflers or silencers have been designed and installed for each of these operations to suppress the noise level and minimize inconvenience to local residents.

Where possible, activities which could produce some temporary increase in noise level will be scheduled during daylight hours.

Yacht Club Lease

Altona Yacht Club will be asked to comment on an area of land near the corner of Civic Parade and Beach Street, suggested by Altona Council as suitable for leasing to the club.

Double Lines

Double white lines will be painted in the centre of Cresser Street, extending west of Mills Street for 120 feet.

Residents near the intersection have complained to Council about cars parked by people attending the Greek Church.

Wants Chips Sold By Weight

Cr. C. Carlsson believes chips should be sold by weight, not by the 10 cents worth as at present.

"There is only one commodity that is not controlled by any weight or measure regulation," he said. "That's the common old fish and chips."

"I wonder if we can agitate and get some control over their weight? You only have to stand in a fish shop at lunchtime, when there's school kids there to see why."

"Sometimes I think they are being robbed, with the paltry amount they get for their 20 cents."

"Fish would be an awkward one, though. Who could determine how much of it was fish and how much was flour and water?"

Cr. Carlsson's suggestion will be placed on the agenda of the next meeting of the Western Suburbs Municipal Association.

No Action On Angle Parking

Altona Council will take no action on a suggestion that the access ways north and south of Bor-rack Square be used for an angle parking area.

Council was told that the plan would result in very few additional parking bays once areas had been set aside for delivery trucks.

Improvements Approved

Altona Council has agreed to proposals to combine the storeroom and canteen at Grant Reserve and to flood-light the ground.

The approval follows deputations to Council last month by representatives of the Altona Cricket Club and the Altona City Football Club.

Each of the improvements will cost about \$400, and the money has been referred to the Council's Finance Committee.

The Council has also referred to its Finance Committee quotations for the supply of wire guards over the pavilion windows.

Council was told the only way to control entry of cars to the reserve would be to erect a fence along the eastern side of the north-south roadway. This would cost about \$1,200.

Council Asks For Estate Proposals

Altona Council will ask Seaholme Housing Estates Ltd. to submit a proposal for the development of 192 acres of land in Kororoit Creek Road, south of the railway line.

Council will defer the company's application to have the land rezoned from "light industrial" to "residential" until the proposal is received.

A deputation from the company told Council that it considered there was a shortage of residential land in Altona, and felt that a residential development could be planned in the area.

The deputation estimated that about 6,000 people could be catered for in the development, which would include single, villa, flat and multiple storey units.

The company has lodged a plan to subdivide the area into two lots, but said it had no plans to develop either lot.

Altona Camera Club

Last Thursday evening the first annual competition between Western Suburbs Camera Clubs was held in the Footscray Town Hall.

Altona Camera Club won the competition with the highest aggregate of points, followed by the Footscray and Williamstown clubs.

Each club submitted six black and white prints and ten color slides, judging being carried out by Mrs. Grace Locke of international photographic fame.

Altona also won the top scoring print decision with one of its entries. Having set the pace by winning the first competition Altona intends to have its members working hard through the year to obtain the widest possible selection of work for next year's event.

Each month Altona Camera Club sets a theme for its members enabling them to compete amongst themselves — a system which results in progressively good photography. The club is divided into groups so that raw beginners have every opportunity and are coached by the more experienced into producing consistently good work.

Anyone interested in photography, or looking for a hobby with a difference is welcome to join.

Altona Camera Club meets Friday evenings at the Home- stead (opposite the Library) in Queen Street, or phone Jim Merrills 398-1937.

Laying Of New Lawn For Church

The recent grading of the Church grounds by the builders has afforded the opportunity for the new lawns to be sown in good time for them to be well grown for the opening of the new St. Eanswythe's Anglican Centre in Queen Street, Altona.

The vestry has called a working bee for this coming weekend on Saturday and Sunday afternoons at 2.00 p.m. As much as possible will be achieved this weekend, and with good support it should be possible to completely sow the whole lawn area. Rakes will be a great help!

Young Wives' Group

St. Eanswythe's Young Wives Group will hold their next meeting on Tuesday, June 9, at 8 p.m. at the home of Mrs. Marge Duckett, 161 Blyth Street, Altona.

Guest speaker will be from the Avalon Committee.

SMITH-THOMSON WED AT ALTONA

— Photo by courtesy Edwin R. Warden, 68-1996

Seated in the bridal car ready to move off from the Altona Methodist Church after their marriage by the Rev. Peter Robson on May 16 are Mr. Kenneth Colin Smith and his bride, Lucienne Helen Thomson, daughter of Mrs. I. Thomson of Rose Street, Altona, and the late Mr. Ted Thomson.

The groom is the only son of Mr. and Mrs. C. Smith of Regent Street, Springvale. A gown of French velvet was worn by the bride and red velvet was worn by the bridesmaids, Misses Elizabeth Wright, Pam Smith and Dorothy Ann Ritchie.

Bestman was Mr. Ian Griffiths. After a reception at the Altona Youth Hall the couple left for a motoring trip to Sydney and northern N.S.W.

1st Laverton Guide Co.

1st Laverton Guides held an evening on Wednesday to farewell their former District Commissioner Mrs. C. Green who has retired after three years service.

Company Leader Jenny Ross presented Mrs. Green with a gift from the Guides.

They also welcomed their new Commissioner, Mrs. Cotter, who was presented with a Guides' handbook by Patrol Leader Karen Sayer on behalf of the Company. Supper was provided and served by the Guides and everyone had an enjoyable evening.

An enrolment night was held on Thursday for new 1st Laverton Brownies. Those enrolled were: Anita Holme, Deanna Barnham, Janet King and Jane Smith.

Cake Stall

A Cake Stall will be held in Pier Street, Altona, this Saturday, June 6, by the Mothers Committee of the Blyth Street kindergarten.

\$200 Raised For Hospital

More than \$200 was raised at a successful luncheon and apron parade last Wednesday at the Koorringal Golf Club by the Altona District Hospital Ladies Auxiliary.

Over 100 ladies met for sherries at noon before being seated at the attractive tables for a delightful luncheon.

Later a number of aprons provided by Auxiliary members were paraded and sold to the audience.

A special apron prize for a lucky seat was won by Mrs. Beth Kennedy. Several gifts were presented to holders of lucky entrance door tickets.

A special effort for articles of Bessemer ware run in conjunction with the parade was won by Mrs. Hazel Grant who also carried off the third prize. Second prize went to Mrs. Joan Hammett.

Seaholme Primary School

On Thursday, June 11, members of the mothers club are having a bus outing to Yarra Glen (including a visit to the Tarrawarra Monastery).

Fare is \$1.25 per head. Bus leaves school at 9.30 a.m. Members and their friends are welcome. Please bring picnic lunch.

Altona Drama Group

A meeting will be held of members and any interested people, in the Drama Hall, Railway Street North (opposite station), on Monday next, June 8 at 8 p.m. to read plays, with the object of selecting a play for presentation later in the year.

Elderly Citizens' News

On Friday (June 5) cards to be sold at the Altona Elderly Citizens Club at 8 p.m.

For an entrance charge of 35 cents good prizes and supper will be provided.

Rotary Club Of Altona

At last week's Rotary luncheon, Dr. Bill Lang, of Esso, spoke about forms of pollution. He mentioned that man has created this problem and that man must solve it.

He indicated that there are three levels of responsibility. First, there must exist a central control authority to set standards for discharge of waste material into the atmosphere and streams and also to check for compliance with these set standards. Secondly, part of the work of the municipal authority should be the maintenance of helpful relations between the community and industrial concerns such that each is fair to the other. Thirdly, the public provides money for plant for disposal of waste and for checking the quality of such disposal.

Dr. Lang, who was educated in America, said that in that country governmental laws are now in operation for control of the exhaust emissions of motor vehicles. One aspect of this is that the permissible percentage of sulphur in petrol has now been reduced in some states. From his experience in Australia, he feels that our main pollutants are waste paper and discharges into the atmosphere and into streams.

Next week, the weekly club luncheon will be held at the home of Rotarian Dr. John Leyden. This will be followed by a tour of the Altona Hospital.

21st Birthday

Mr. and Mrs. Roy Edwards celebrated the coming of age of their daughter, Sandra Dawn, when on May 30 they entertained some 80 guests from all parts of Melbourne in the Altona Life Saving Club Hall and afterwards at their home in Romawi Street until the early hours of the morning.

Sandra had gathered around her aunts and uncles who have lived in Altona and one who flew in from Launceston.

Sandra is the last grandchild of the late Mrs. Edith Edwards of Upton Street, Altona to reach the age of 21 years.

MARCHING GIRLS

The Altona Youth Club marching girls team, the Midgets, have a new instructor.

Any girls aged 8-9 years, interested in joining, could attend training at the Youth Club, Civic Parade, on Wednesday nights from 8.15 to 7.15 p.m.

Training is also held every Saturday from 11 a.m. to 12 noon at the Altona High School, Civic Parade.

A training uniform is supplied for all girls.

Next year the team will be entering a number of competitions.

The annual meeting will be held at the Youth Club at 8 p.m. on Thursday, June 25.

Anyone wishing further information about joining the club or attending the meeting could ring Mr. Clark on 398-1850.

CWA Meeting

A general meeting of the Country Women's Association, Altona Branch, will be held at 1.15 p.m. on June 8 at "The Homestead," 128 Queen Street, Altona.

A market stall will be held at the meeting and competitions for the best bloom and paper flowers.

Craft work will commence at 10.30 a.m. Members are asked to bring crepe paper and Mrs. Edna White will demonstrate the making of paper flowers.

Val's Column

Hello Girls,

Revlon have four marvellous, saving specials for you girls.

For your oily skins, there is Clean and Clear Cleansing Lotion in a big 10 oz. size for \$2.75. A saving of over a dollar on the regular sizes.

This mildly antiseptic pink lotion has a deep penetrating action that thoroughly cleanses and dissolves away makeup and grime. Leaving your skin immaculately clean and helps clear and prevent minor blemishes.

To follow this is your toning lotion. A big 12 oz. size Liquid Asset. You will notice two layers in this bottle of mildly astringent and antiseptic lotion. The top layer contains vitamins A, D and E to feed your skin and help keep your moisture/oil balance. The lower layer will feel cool, refreshing and is antiseptic. Shake before using. Feel the freshness!

Revlon have also produced a special 10 oz. bottle of Moisturising Cleanser for your normal or dry skin. You will have the benefit of cleanser bathing your skin in a perfect balance of oil and moisture. It dissolves makeup and grime leaving the skin immaculately clean. But not stripping either oils or moisture.

A partner for this is Toning Lotion, also a special 12 oz. size (saving \$1.30).

If your skin is normal, tending dry Moon Drops toning lotion is for you. It is a delicate non-drying, mild toning lotion. Gently stimulating and keeping the oil/moisture balance of the skin.

Make use of these economy size bottles girls. Refill your already used bottles again and again. Be positive. Cleanse and tone to make the most of your complexion.

New! Natural Wonder Water Paints for Eyes. Exciting new way to apply to make beautiful eyes. Subtle eyes, bold coloured eyes.

Not medicated as is the rest of the range. But HYPO-ALLERGENIC and non-pranced. No need for sore eyes, swollen eyes.

Bye.

Staffing Problems

In his annual report to parents of Altona High students, Principal, Mr. G. Shee, discussed staffing problems and made pertinent comments on teacher training, transfers and under-staffing.

He stated:

"April 1, 1969, saw the introduction of the Victorian Secondary Teachers' Association's Control of Entry plan.

"Altona High School members of the Association were involved in strikes on at least three occasions over the appointment of people without adequate qualifications and training as teachers.

"The effect on the school was unsettling, but there is no doubt that there has been an acceleration in the Education Department's provision of teacher-training courses for the unqualified.

"In order to provide teacher-training for those people who need it, one needs the services of qualified people to staff the secondary teachers' training institutions.

"It is my opinion that it is wrong to rob the High Schools of trained people to staff the Secondary Teachers' College, when there is full employment, it doesn't solve the problem of shortage of labor merely to transfer labor.

"You cannot create personnel — you have to invite people to work longer hours for adequate extra money.

"Now how did this effect Altona High School?

"At the beginning of this year Mr. Harvey was transferred without warning to the Secondary Teachers' College and for the first 10 weeks of this year, as a direct result of this we were short of a teacher of mathematics and science and it was Form 2 and Form 1 who suffered.

"To make matters worse,

we were understaffed also in the Arts and Crafts subjects and without the remotest possibility of getting teachers in the foreseeable future, so I was forced to meet this crisis by using drastic measures:

"First, I have dissolved Form 1E and allotted the pupils to the other four forms 1, thereby raising class numbers from 36 to 45.

"Second, the saving in teachers together with the employment of Mr. A. Peake (a qualified carpenter and incidentally, treasurer of ANHS Advisory Council), to teach Woodwork, has enabled me to give all classes full tuition for the first time this year.

"You can rest assured that not only I, but every High School Principal in the Western Suburbs supports the principle that qualified teachers must be shared by the schools, and training colleges, not stolen, and that we shall be pressing the Director of Secondary Education to recognise this and to act upon our suggestion.

"When Mrs. Holligan took long service leave in September last year we were left without a Senior Mistress, but we were able to have Mrs. Graham remain here instead of being transferred to ANHS. Mrs. Graham enjoys good relationships with the girls and has willingly responded to my request that she attend the Mothers' Club meetings as the school's representative.

"The school is fortunate, also, having Mr. Hunter as Deputy Principal. He came to us with long, varied and

LIFE SAVERS RECEIVE AWARDS

Awards gained by Altona Life Savers during season 1969/70 were presented by Mr. A. Frost, a vice-president of the Royal Life Saving Society, Victoria Branch, at the annual presentation night held in the Life Savers Hall on Saturday, May 23.

Mr. Frost stressed the importance of Life Saving Awards and said a recent ruling of the Society's Council was that awards would take precedence over all trophies won by life savers.

The Altona Club has recognised the importance of awards, so much so that the fees charged for taking the various awards has been paid by the club for several years now.

These fees range from 10c for the Resuscitation Certificate to \$1.20 for the Award of Merit, \$1.80 for the Distinction and \$4.20 for the Diploma.

The club has paid for three distinctions but to date has not been fortunate enough to have the privilege of paying for any Diplomas.

Awards were presented to the following:

WILLIAMSTOWN LIGHT OPERA COMPANY

Well-known local members of the Williamstown Light Opera Company Jill Williams of Park Crescent and Kerry Cordell of Hannan Street, Williamstown are to be married this Saturday, June 6, at 4.30 p.m. at John Street Methodist Church, Williamstown, where Jill has been attending since early childhood and for quite some time now has been teaching in the junior Sunday School.

Jill has appeared in many of the Company's shows, her most recent being "The Pyjama Game." She is a capable actress and an accomplished ballet dancer.

Kerry had played a varied number of roles with the Company and has done a large amount of set construction and has also been stage manager for some shows.

The Opera Company is now into rehearsals for "Brigadoon," to be staged in early November this year. Chorus rehearsals are now underway. If you are a singer, old or young, and would like to join us you would be most welcome to attend rehearsals on Monday evenings at 8 p.m. in the Theatre at St. John's Hall, Pickett Street, Footscray.

The Opera Company's production of "The King And I" was an outstanding success. The Company believes this was attributed to many factors, one of which is the terrific enthusiasm within the Company at the present.

Also there is no orchestra for the show, but instead a combination of piano, organ and drums.

"The King And I" was basically a trial as against a 12 to 15 piece orchestra.

Reports have it that while not being as colorful as an orchestra the combination was very pleasant to listen to and was also easier to con-

trol in volume and one must remember the music is only to accompany the singing on stage.

The Company has now decided that this will be the format for shows in the near future.

THE CURTAIN RISES

BY THISBE

One of the best ways to spend a winter's evening is to share it with friends at a lively entertainment.

Over 200 people did this at the Mayor's (Cr. R. Dawes) Charity Performance last Saturday night.

The gay scene in the foyer of the Williamstown Technical School Assembly Hall was greatly enhanced by the excellent music of the Williamstown City Band. A particular favorite with the audience was the "Sound of Music" selection.

The Little Theatre's production of Peter Schaffer's "Black Comedy" was a great success with the audience. The play, which was taken from the smaller theatre, played excellently on the larger stage.

The play completed the first part of the program. The folding doors were then opened and supper was served.

The band again supplied music for the people who remained in their seats as well as for the tea and coffee drinkers.

The Mayor, Cr. Ron Dawes, made a short speech thanking the audience for supporting the evening's entertainment and the groups for working so hard to make it a success.

The final half the program was staged by the Light Opera Company. It consisted of a very clever shortened version of their recent production of "The King and I."

The "Shall We Dance?" sequence will be remembered for a very long time and the "Getting To Know You" of the final curtain will remain with us all for a long time.

The week-end of June 27-28 has been set aside to tidy the Theatre's furniture store, scenery dock, wardrobe and general working areas.

If you can spend a few hours during this week-end, will you please ring Graham Murphy at 397-7600 (after hours) so he can tell you what jobs need doing.

The Annual General Meeting will be held at the Theatre on Thursday, July 16, at 8 p.m.

If you are interested in actively assisting in the running of the theatre please do not hesitate to contact the Hon. Secretary who will be pleased to assist.

Saturday, June 20, has been chosen for a Barbecue Dinner, followed by a variety of games. The dinner will commence at 6 p.m. and the Theatre will supply bread, meat and claret. Guests are requested to bring their own knives, forks and glasses.

Admission will be adults \$1, and children 50c.

Please contact Mrs. Joan Lindsay at 397-5095 (after hours), or Guys and Dolls (397-6551) by Tuesday, June 16, to assist in catering.

Measles Vaccination Campaign

The State Health Department has commenced a campaign to immunise Victorian children against measles.

The vaccine is now being supplied to municipal councils.

Announcing this today, Mr. Vance Dickie, Minister for Health, said, "Many parents do not realise that ordinary measles can be one of the life threatening diseases of children. Although

in most cases an attack passes within a few days, it is not uncommon for a child to be admitted to hospital.

"In fact, during 1967 in the Melbourne metropolitan area 778 persons suffering from measles were admitted to public hospitals, involving over 6000 bed days. These figures do not include measles patients in inter-

mediate and private hospitals.

"Six children died from measles and its complications.

"A similar epidemic occurred last year, and following the two year cycle the State Health Department expects another epidemic in 1971", said Mr. Dickie.

"This can be prevented by mass immunisation, and I strongly urge all parents

to take full advantage of this opportunity to protect their children against the danger of measles.

"Only one vaccination is required and this should give lifelong protection.

"Immunisation is available free of charge to children aged between one and 10 who have not previously had ordinary measles.

"Vaccination may be arranged through municipal councils", Mr. Dickie concluded.

Bay Oil Pollution

The following letters from Mr. A. H. Croxford, Chairman of the Board of Works, Mr. R. J. Hamer, Minister for Local Government, and Sir Henry Bolte, Premier of Victoria, speak for themselves:

Limited Powers

7th April, 1970.
To the Hon. R. J. Hamer, E.D., M.L.C., Minister for Local Government.
Dear Mr. Hamer,

In reply to your letter of the 12th ultimo enclosing copy of a letter from Senator McManus on behalf of the Altona Branch of the D.L.P. concerning oil pollution of the Bay near Altona, I desire to advise you that

the discharges of oil from the refinery of Petroleum Refineries (Australia) Pty. Ltd. during periods of rain has been discussed with company officials and immediate action has been requested to prevent these spillages into Kororoit Creek.

An inspection has revealed that overflows can occur from three treatment ponds and it will be necessary that these overflows be sealed and the company provide additional storage capacity for the retention of storm-water draining from polluted areas.

It will be realised, however, that the Board's powers in these circumstances are limited. It is the Department of Health which issues permits to industry to discharge trade wastes to streams and fixes the physical and chemical standards to which the effluent is to conform; the Board only being able to take action after pollutants are in fact discharged into a stream for which it is responsible.

It is from this difficult position that the Board over many years has had to negotiate with Petroleum Refineries (Australia) Pty. Ltd. to bring its effluent up to the required standard and this has now been achieved, other than in times of heavy rain.

The Board looks forward to the enactment of new legislation to control water pollution and to its powers being increased to enable it to deal more effectively with industries not meeting their obligations with regard to the preservation of the environment.

Yours faithfully,
ALAN H. CROXFORD,
Chairman.

Regrettable

7th May, 1970.
To The Secretary, Premier's Department.
Dear Mr. Coulthard,
I refer to your letter of 21st April and now enclose copy of a report which I have had from the Chairman of the Melbourne and Metropolitan Board of Works on the subject of oil pollution in the Bay near Altona raised by Senator McManus on behalf of the Altona Branch of the D.L.P.

The regrettable thing is that legislation referred to by Mr. Croxford — namely the Water Pollution Control Bill — although passed by the Legislative Assembly, was blocked in the Legislative Council by the A.L.P., and will now have to be re-introduced in the next session of Parliament.

Yours sincerely,
R. J. HAMER,
Minister for Local Government.

For Your Information

12th May, 1970.
To Senator F. P. McManus.
Dear Senator McManus,
I refer to your personal representations on behalf of the Altona Branch of the Democratic Labor Party, in connection with the subject of pollution of Port Phillip Bay near Altona.

I am enclosing for your information copies of letters from the Minister for Local Government and the Chairman of the Melbourne and Metropolitan Board of Works about this matter.

Yours faithfully,
HENRY BOLTE,
Premier.

POLLUTION

In response to the public interest and increasing awareness of the problem of pollution and the need to act now to keep an environment worth living in, the Council of Adult Education is arranging a Symposium on "Pollution" to be held at the Adult Education Centre at 7.30 p.m. on Wednesday, June 3, 1970.

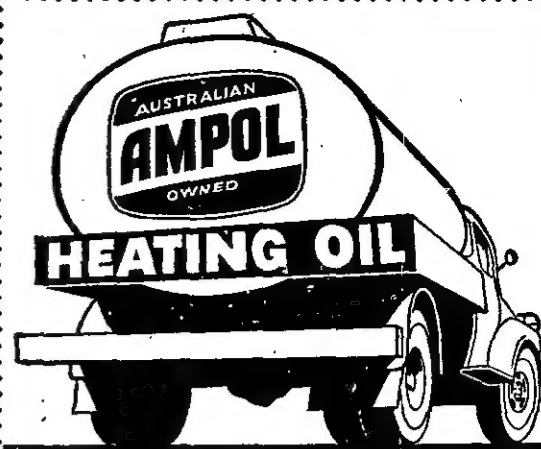

As this is such an all-embracing topic it has been decided to emphasise water in the urban environment.

Speakers will be Dr. L. Allen, Chairman of the Yarra Valley Conservation League, Mr. A. G. Robinson, Melbourne and Metropolitan Board of Works Engineer-in-Chief, and Mr. Colin Willman of the Trades Hall Council who has had a lifelong interest in Industrial Pollution.

A film, "The River Must Live" made in Europe, about what happens to a river and how to control and prevent pollution, will be shown.

Parents Without Partners

The Branch Meeting of Parents Without Partners will be held on June 6 at 8 p.m. at Moonee Ponds. For enquiries ring 379-5150 or 309-3895. New members welcome.

A.T.C. Flight at Point Cook

■ ATC FLIGHT AT POINT COOK. Fifteen members of No. 15 Flight (Footscray) Air Training Corps spent an informative day at RAAF Base, Point Cook, recently where they were shown over the RAAF Academy, No. 1 Flying Training School and the RAAF's Fire School, where firemen instructors staged a demonstration in fire fighting. With flying and the RAAF Academy as their future aims these three young lads pay particular attention to Sergeant Ken Howard (1FTS) as he explains the function of instruments and controls of a Winjeel trainer. From left are Sergeant Ken Howard (1FTS), Cadets Bruno Dallagnol, born in Italy now living in Williamstown, Peter Batzakis, born in Greece now living in Altona North, and at the controls is Gary Sponner, of Altona North.

Bendigo Revisited

A weekend School is to be held at Bendigo from June 12-15 (Queen's Birthday).

The Council of Adult Education has joined with Bendigo's citizens to provide an exciting and varied program.

After a welcome on Friday night, guests will plunge, on Saturday, into the history of this marvellous and once fabulously wealthy town.

In the afternoon a tour of mines and mining sites has been arranged and it will be possible to see and handle machinery used to wrest gold from the solid rock.

At night there'll be a recital of ballads by Thatcher, the minstrel of the goldfields — sung by Denis Gibbons and the story told by Hugh Anderson.

On Sunday there's a trip to the Gallery and a tour sponsored by the National Trust with a parade of period fashions and a talk in the evening.

Monday brings back the present — Mr. Alfred Mellor, a stockbroker, will talk of mining investment and David Kennedy, Federal M.P. for Bendigo will lift the curtain on the future for Bendigo's development.

Ring C.A.E. (Mrs. Clark or Mrs. Nicholls) on 63-4231 for a brochure or further information.

HOSTEL IS PRAISED

An inspection of the migrant hostel in Kororoit Creek Road found that the new accommodation was excellent. Mr. N. Hawthorn, Williamstown's Chief Health Inspector, told Council.

Mr. Hawthorn said all migrants were now housed in self-contained units. Kitchen facilities, food storage and handling were of high standard and the quality of food provided was good.

He said the grounds of the hostel had been improved by landscaping.

West Metro. Region Girl Guides

Eight girls of the Sunshine Extension Ranger Guide Unit have almost qualified to be invested as Ranger Guides.

Mrs. Carlyon, West Metropolitan Region Commissioner visited the unit to meet the girls and will invest them when they are ready. The girls are very keen and are thoroughly enjoying their guiding.

A Watkin Demonstration, a theatre morning and a cosmetic evening are all on the agenda of the Extension Branch Auxiliary. The ladies hold their meetings on the first Monday of each month alternatively at Sunshine and at Newport.

The Division Commissioners of the Region met at the home of Mrs. Carlyon when Mrs. Townsend was welcomed in as Region Secretary.

Preparations for special functions to mark this Jubilee year of Guiding are well in hand, the emphasis being on service.

Parties of brownies and guides joined with scouts and cubs to enjoy the Gang Show.

WESTERN SUBURBS TABLE TENNIS

A GRADE

The Williamstown Colts combination of Barry Taylor, Steve Slattery and Make Dudziak, toppled unbeaten Robert Bodingtons 7-4 in Round 4 of the Western Suburbs Table Tennis Pennant.

Steve Slattery and Barry Taylor dominated the game, winning three rubbers each, and they combined well to win one doubles.

Alan Coustley, John Gavin and Lindsay Loone each won one singles rubber for Bodingtons.

Kingsville stopped Maribyrnong's winning run with a narrow 6-5 win. Jim Montgomery and Steve Hayes won two rubbers each, whilst Montgomery combined with Hayes and Viess to win both doubles. Maribyrnong's Alby Walker and Jack Lawler won two rubbers and Des Jones one rubber.

Liston-Esplanade (D. Fowler, K. Lambert) won their first game when they confronted Centre, represented by Chris Slattery, and although Chris won two rubbers, Liston won eight rubbers by default giving them a 9-2 win.

B1 GRADE

Avondale Heights Youth Club, after a run of narrow losses, won their first game of the season with a good 7-4 win over AGM. Robert Brookfield of Avondale Heights starred, winning all three rubbers. He was ably supported by Keith Loveridge who won two rubbers and with Ivan Gribbe they combined well to win both doubles. AGM's best player was Lance Evans who won two rubbers.

F&T. Carpets came close to downing B1 leaders Brooklyn when they lost 5-6. Des Taaffe won two rubbers and Sam Psaila and Rob Scerri won one rubber each, but found Brooklyn's Barry Watson (three rubbers) and Alan Dyall (two rubbers), too talented.

Westerners (M. McGavin, F. Brown, D. Goucher) were a little too strong for Centre (J. Wyllie, D. Doyle, T. Nichols) and won narrowly 6-5. With Frank Brown starring for Westerners, win-

ning three rubbers, whilst for Centre Jock Wyllie and David Doyle won two rubbers each.

B2 GRADE

Ballarat Rd. Methodists, the leaders in B2, were too strong for a weakened F&T. Carpets and won 8-3 with Robert McInnes and Albert Richardson winning three rubbers each. For F&T. C. Psaila, W. Berry and J. Bagnara won one rubber each.

B. F. Goodrich (H. Braunbaer, K. Weston, J. Jurisic) tried hard against a talented Rheem combination, but lost 7-4.

For Rheem Ted Czernicki won two rubbers, W. Kinder three rubbers and Wally Stys one rubber, while for Goodrich Ken Weston and Herbert Braunbaer won two rubbers each.

Reckitt & Coleman won well against W. G. Goetz, 9-2, with Ted Powell and Jack Jennings winning three rubbers each, and Alan Evans two rubbers, whilst for Goetz Theo Moltz was their only winner.

B.A.T. moved into third position when they defeated Seaholme convincingly 8-3. Brian and Terry Flynn dominated the match with three rubbers each and for Seaholme Bill and Ted Simmonds and Brett Marlow won one rubber each.

C1 GRADE

Grieve Highway maintained their unbeaten run when they defeated Kingsville YMCA, 7-4. Gordon Lewis and Neil Wynn won three rubbers each for Highway and J. Sherman, C. Smith and C. Thomas won one rubber each for Kingsville.

Outlaws (W. Barkut, F. Bissett, A. Maloney) moved into the four when they coasted to a 7-4 win over Reckitt & Coleman. Wal Barkut, regaining form, won three rubbers and Reckitt's best player was Ed Drewry with two rubbers.

Snappers (J. Catchpool, P. Morris, B. Smith) continued on their winning way with a 10-1 win over newcomers Basin Street. Paul Morris and John Catchpool won three rubbers each for Snappers, whilst Jim Joyce was Basin Street's only winner.

The Oliver Davey combination of G. Sheel, D. Cole and D. Liston were too experienced for Explosives and won comfortably at 7-4. Dale Liston was their best player, winning three rubbers whilst Greg Foran won two rubbers for Explosives.

D1 GRADE

Avondale Youth Club (1) (K. Bedella, H. Schwartz, P. Beighton) were fully extended by the Avondale Youth Club (2) side and won narrowly 6-5.

The match was decided in the vital eleventh rubber when Keith Bedella played superbly to defeat veteran Peter Scown in three sets. Best players were Keith Bedella, three rubbers, and Peter Scown, two rubbers.

Newport Post Office (R. Dalrymple, R. Quail, C. O'Brien) defeated F.E.W. (R. Fowler, P. Ward) 9-2. Col O'Brien won three rubbers whilst for F.E.W. Ron Fowler won two rubbers.

A strengthened Union Caribide team of G. O'Brien, H. Hepburn and L. McDiarmid, won their first match for the season when they defeated B.R.M., 7-4. Jock O'Brien and Harry Hepburn won three rubbers each whilst Peter Annear was B.R.M.'s best player with two rubbers.

D2 GRADE

Esso Tigers (2) turned in a fine performance to narrowly defeat top team Williamstown Youth Club 6-5. Joe Ricketts was the star of the match, winning three rubbers whilst for Williamstown Frank Milton and Barry Hamson won two rubbers each.

St. Mary's moved into fourth position when they comfortably defeated A.G.M., 9-2. Paul Buttigieg and George Cassar won three rubbers each for St. Mary's whilst Doug Pearce won one rubber for A.G.M.

Esso Tigers (2) defeated Newport Post Office in fine style, 7-4. McKenzie and Brown won two rubbers each for Esso whilst for Newport Bernie Fox was outstanding with three rubbers.

E1 GRADE

Bertrams remained undefeated when they defeated St. Mary's A, 8-3. B. Bertram and G. Shaw also remain undefeated in singles play with three rubbers each, whilst for St. Mary's C. Nuzzo, R. Eilas and R. Maloney won one rubber each.

St. Andrew's moved into second position following a god win over Seaholme, 9-2. Don Quayle won three rubbers for St. Andrew's, whilst Susan and Julie Jeffrey won one rubber each for Seaholme.

Ixer Social Club won their first game of the season against Triangle, 9-2. A. King won three rubbers for Ixer whilst George Holowko was Triangle's best player with two rubbers.

St. Albans (S. Fellowes, T. Ryan) continued to win with only two players when they scraped home against St. Mary's B, 6-5. Steven Fellowes won three rubbers for St. Albans and St. Mary's best player was R. Kucera with two rubbers.

E2 GRADE

Avondale Youth Club (Blue) remained on top when they defeated Williamstown, 9-2. P. Bell and C. Bondin won three rubbers each for Avondale.

Avondale Youth Club (Red) moved into fourth position when they defeated Scots, 7-4. C. Bonnici and N. Madiona won two rubbers each for Avondale whilst Scots best player was G. Harper, winning all three rubbers.

ALTONA OWNS LIFE'S CREATION

Believe it or not the fair City of Altona is still producing pop groups. The latest sensation is a band called Life's Creation.

And the line up is so weird that many of you will have another look at this page to ensure that it is the right way up.

Because if you had told me about two years ago that Steve Janicki, Ray Reid, Stephen Wright and Algie Arnastauskas would one day form a group, I would have advised you to see a "head-shrinker". And I am still finding it hard to believe that these four guys came together.

I mean, it's ridiculous. Steve Janicki is about 37 years old and Ray Reid is not 11 yet. What a line up!

Steve is probably the most experienced member of LIFE'S CREATION. He has played with the Blue Jays, the Unknowns and The Eternals.

He is not too worried about playing with LIFE'S CREATION. "I do not think it will break up my marriage", he said, "but I am not quite sure whether the younger audiences will accept me."

Steve Janicki handles lead guitar and vocals for LIFE'S CREATION, but the lead vocalist and rhythm guitarist is Stephen Wright. And if nothing else one must admit that Stephen does look like a pop singer.

His rotund figure, long hair, grizzly beard and that band he wears around his head make him look like a member of that American underground group, Canned Heat.

Stephen was in a group called Chain Reaction with Ray Reid. His voice is suited to the Creedance Clearwater

Revival material that the group plays.

Ray Reid looks the part with his Afro-style hairdo and Algie Arnastauskas does not sound as likely as Gene Krupa. But Algie fits in all right as drummer and he has spent a fair amount of money on equipment. He was the last person I expected to find in the group because my memories of his pre-LIFE'S CREATION days conjure up reflections of hot rods and wild surf.

Looks like Algie has traded these loves in on a pair of drumsticks.

Youngest member of the group is Ray, the bass guitarist (he is older than 11, though—nor is Steve 37).

According to Stephen the group's main influences have been Creedance Clearwater Revival, the Beatles and the Cream. LIFE'S CREATION is a group that likes long hair, detests prejudiced people and adores girls.

The group has been together six months playing at country towns, the Central Hotel, Preston Hostel and private parties in the city.

Now that I have told you something about the group you will want to know just how good their music is.

At the moment I feel that there is plenty of room for improvement. But the group is young in experience (apart from Steve) and should stick to it. The boys would do

better to use their three piece harmonies as much as possible rather than permit Stephen to strain his voice singing solo against that heavy instrumentation.

Harmonies go over much better in hotels than the normal "run of the mill" monotonous blues. And the group will have to play the hotel circuit unless the boys enjoy starving.

Stephen's voice is suited for Creedance material, but it sounds better when he is harmonising with Steve and Algie.

If you have not seen this group yet pop over to SPECTRE, the dance in Sunshine, on Friday night.

New Drummer Fills Vacancy

The vacancy for a drummer has been filled. Fred Hudson, formerly of the Brisbane Avengers and Genda, has replaced Lawrie Burns as the drummer for Clack.

And the group has changed its name to the WAREHOUSE.

To all those drummers who inquired thank you for your interest. But the group only had a vacancy for one drummer.

Elaine Wins The LP

The Long Playing record by Max Merritt and the Meteors has been won by Elaine Matthews, of Farm Street, Newport.

Elaine knew that Max Merritt's last release was "Western Union Man". This song is also on the LP which Elaine will receive.

Runners-up were Graham Duffy, of Thompson Street, Williamstown, and Joanne Collins, of High Street, Newport. Graham and Joanne will each receive a copy of "Incense" by Issy Di.

Top Group Plays For A Dollar

Things are really bad when a top Melbourne group lowers itself to play for a dollar a head.

This is what happened to TURNSTILE (formerly Ram Jam Big Band) at Sebastian's last Thursday night.

The group did not expect to make much because the Thursday night sessions are for artists playing original material and the gig is run by the group Spectrum.

To make matters worse the group is not getting much work at the moment. Come on Ray Evans, start pushing this group a bit more.

Free Speedway Tickets At Mick's Shop

All "Swinging World" readers who patronise Mick's Barber Shop in Somers Pde. Altona West, this week will be issued with free tickets to the next meeting of the Garfield Speedway Club this month.

If you are a speedway fan race down to Mick's for a haircut now.

Gossip

• No wonder Margaret and Trevor would not post that letter.

• Believe Yvonne is after my blood. Give her a haircut, Peter.

• Micky Bannister will never beef about sausages.

• Percy come to Altona to vote on Saturday.

• Roger Pyeman does not like old ladies with umbrellas.

• Everybody was rapt in Keith's shorts on Sunday afternoon.

• Peter does not like No. 11.

• Dance at Altona North Technical School on June 20.

• Everybody will head for the snow during the long weekend.

• Chris has been working very hard lately.

• So The Baron would rather walk his girl friend home.

• Will Aitona really have a world marathon dancing contest?

• Rumour has it that a certain guitarist left a certain Altona 50-50 group because the mother of one of the guys in the group used to dictate the repertoire.

• How much longer will Henry and Harry remain with the Rebels?

• Dawn had a throat problem last week.

• Altona's sporting bodies are receiving a fair amount of publicity lately.

• Peter is sporting a beard now.

Constanainou Ninth In Open Cycling Race

The first open event for the season was conducted last Saturday over 51 miles.

The "Chalmers Watt Memorial" proved a stiff test for the riders for as well as the severity of the course they had a very strong wind to contend with.

Leon Constanainou rode up to his superb club form and finished in ninth position from the 16 minute mark.

Leon and Bill Crout, of Tasmania, who rode off 13 minutes left a group of riders in a breakaway move and in a most determined effort caught all but the eight-strong leading bunch.

Tony Robson also put in a good ride to complete the course.

This coming Saturday the club will conduct a 37 mile handicap which will start at the corner of Sneydes and Aviation Roads at 2 p.m.

On Saturday, June 20, the "Altona 60" which is promoted by the local cycling club and sponsored by the Altona traders is set down for decision.

As in past years an excellent field is expected with Australian champions Barry Waddell and Ian Stringer possible entries.

Shortage Of Nurses?

No, not at the Friendly Hospital!

On Monday morning at 8.45 a.m. on June 1, 14 new students entered the Footscray and District Hospital School of Nursing to commence their three year nursing course.

This will give the hospital a full complement of students which totals 150.

Footscray and District Hospital has the well earned title with members of the Nursing profession and patients — "The Friendly Hospital."

New students who commenced on Monday hail from as far away as Malaysia and country towns.

The Footscray district has much to offer their nursing staff and students. In the district there are golf courses, heated swimming pool, indoor bowls, drive-in theatres, beaches and first class restaurants. Within walking distance is the Melbourne Cup venue, and very shortly the hospital will have its own squash court.

South Thirds Lose At Geelong

South Melbourne continued their run of losses when they were defeated by Geelong by 48 points.

The first quarter was even, but Geelong took over during the second term and had gained a considerable lead at half-time.

South came back in the third term when Hocking, Rae and Cooper goaled, bringing their score to within six points of Geelong.

Geelong opened the last quarter with two quick goals, shattering South's confidence. Three more goals were scored before South could reply through Urban and Parker, but South could not counter-act Geelong's relentless attack.

Scores: South Melbourne, 12-8-80; Geelong, 18-20-128. Goals: Cooper 3, Kurth 2, N. Stibbard 2, Hocking, Rae, Parker, Doherty, Urban. Best: Chalmers, Hocking, Bell, Cooper, Carrodus, Davis.

WESTERN SUBURBAN FOOTBALL LEAGUE CHURCHILL (20), SMUTNEY (17) STAR IN W.S.F.L.

By WARDEN JAMES

Fifteen-year-old Altona rover Ken Churchill and Central Altona centre-half-forward Ron Smutney both turned in extraordinary goal-kicking feats in Western Suburban League matches last Saturday.

Churchill kicked 20 goals for Altona Under 16's in its crushing 303 point win over West Newport, while Smutney notched 17 of Central Altona's 37 goals against Brooklyn.

Churchill received good support from Mick Searle who finished with nine goals, while Central Altona full forward Colin Peatling kicked seven also.

West Newport soundly defeated a plucky Laverton after a slow start, while top side Altona proved too accomplished for Maidstone with a six goal burst with the wind in the second quarter.

Highlight of this match was the performance of "veteran" Maidstone rover Terry Challis, who battled all day to finish with four goals, and the impressive first-up display given by new 6ft. 3in. ruckman Kevin Arkinsar.

Newport proved far too strong for Werribee which was sadly depleted through injuries and players being unavailable.

Missing from Werribee's line-up were centreman George Martini, Alan Kendall, Barry Robertson, Ron Reidy and Sean O'Connell.

Williamstown United withstood a late challenge from RAAF Point Cook to run out winners by four points in a very closely-contested game.

In UNDER 18, Altona A were behind all day, but got up on the siren to win by four points against Newport.

Central Altona had too many good players for Laverton, while West Newport proved too strong for Altona B, although there was only one point separating the sides at half time.

One casualty from this match was Altona's Cecil Martin who was taken to Footscray Hospital with a suspected broken nose and slight concussion.

In UNDER 16, Williamstown had a matchwinner in Ollie Goetz, who kicked seven goals, and they had a very easy victory over Newport.

Their clash with Altona next Saturday will probably give an indication of which

side will be premiers in this division this season.

61 CONSECUTIVE WINS FOR FEARONS IN LACROSSE GAMES

A Fearons have won 61 consecutive games and have Malvern's record of 72 well in their sights. But against Caulfield Green last Saturday it looked as if the Fearons would have to start all over again as they trailed for the first three quarters and only gained the lead for the first time at the 10 minute mark in the last quarter.

A good goal by J. O'Keefe followed three fast goals by D. Allen put fire back into the Fearons and on the bell led 18-14.

"A" City wasn't so lucky, leading by 1 goal at 2 minutes to go against Malvern Black. City couldn't hold off Malvern's do or die attack and lost 19-20.

"A" Deacons, not needing a pep pill or luck, played Footscray and thrashed them 25-5. Coach K. Hope has his team on top of the ladder.

"B" Fearons, fielding only eight players (normal team 13), were no match for Eltham and the absentees have nothing to be proud of and City could not pace it with Glenroy and lost 8-24.

C Grade struck good form and beat top team in the division, Surrey Park, 12-9.

M. Taylor has now eight teams in G. Grade and urgently requires open age senior players to assist him on the Gloucester Reserve each Saturday between 10 a.m. and 12 noon.

Results:

ALTONA THROW IT AWAY

If ever a soccer game was thrown away it was this League game against Prahran at Kim Reserve on Saturday. Altona had 80 per cent of the play and yet lost 3-2.

Craig Copley finished up in hospital. Ian Hines was carried off and Chris Karanatos was limping badly. What a casualty list Altona have, and to make matters worse Billy Savage was carried off on Sunday at Box Hill with a shoulder injury. It will be an uphill battle for Altona for a few weeks until players are fit again.

Saturday was a tragedy as far as the Maroons are concerned. In a game they should have won easily the Altona defence, which is usually sound moved up too much behind the forwards. Three times Prahran broke away and scored three goals. For the rest of the game Altona tried to score goals but a congested goalmouth made it hard.

Jimmy Ackers scored a glorious goal and Chris Karanatos notched goal No. 2 with a long-ranged shot.

In a desperate last 10 minutes the locals got in each other's way two or three times as they tried desperately to score the equaliser, but it wasn't to be and the Maroons lost 3-2.

On Sunday the replay of the Altona v. Box Hill Dockery Cup game was as breathtaking as the first one.

Ian Roberts gave a display of goalkeeping that was out of this world. Jimmy Ackers was a tower of strength in defence.

After extra time the teams are still locked together after another nil-all draw, so a further game will have to be played next Sunday on a neutral ground.

This game will be well worth seeing. Will this third game find a winner?

Saturday will be tough for Altona as they travel to Preston for what should be a fiery game.

Altona Reserve XI had a good win (7 goals to 3) over Prahran. Charlie Neal netted 3 and Iordanus scored 2 in what was a good team effort.

Iordanus is certainly shaping up well and with a few more games under his belt this young lad could well make a name for himself.

JUNIORS

UNDER 15

Altona, away to Lions last week, suffered its first defeat by 3 goals to 2.

Playing better soccer Altona never took their chances and they let the game slip away from them.

Reilly, Totney and Dyball had very good games but never had enough support from team-mates.

Altona will have to show better teamwork if they are to win next week's Cup tie.

UNDER 13

The game against Corio was a thriller from start to finish. Corio, unbeaten this season, played well but found Altona much too good for them on the day.

Corio were first to score with a good goal and it took

Altona a while before they could break down the Corio defence to equalise with a good goal from Burgess and at half-time it was 1-1 each.

In the second half Altona really set about Corio and they ran them into the ground with very good forward play from N. Totney, Burgess and W. Ott, and a fine defence with Kinkel outstanding and Dusink not far behind.

UNDER 14

Altona played Ardeer and won 8 goals to nil in a good game.

With half the season over Altona Under 14's have not lost a game and look to have the chance to win the League for the third season running.

Three of the team were chosen to play for the Victorian State team — Roberts, Hamill and Reilly.

UNDER 16

Still unbeaten this season, Altona won an entertaining game against Ardeer by 4 goals to 2.

Altona, playing with the breeze in the first half, scored four goals (all good efforts) which gave the Ardeer goalkeeper no chance to save.

Playing against the wind in the second half, Altona played good soccer to keep the opposition score down to two goals and they, themselves, were unlucky not to score a couple of goals.

Best: M. Alsopp, A. Spencer and M. Micheski.

THIS WEEK'S MATCHES

ALTONA BOXERS SUCCESSFUL IN LOCAL TOURNAMENT

Seven of the eight Altona Youth Club boxers won their fights at the Amateur Boxing tournament held on May 22 in the Assembly Hall at Altona North Technical School.

At the conclusion of the bouts, prizes were awarded by the Acting School Principal Mr. D. Donaldson and Cr. Bill Sommers. Cr. Ray Richards was the announcer.

First of the local winners was David Hibberd in the 5 stone class who boxed a very clever fight to win a points decision against Dale Simmington (Doncaster).

In the 6 stone class Sammy Missale (Altona) tired in the last round but had enough points on the first and second rounds to win the decision against Wayne Marshall (Doncaster).

Joe McFadyen (Altona), having only his third fight, put up a courageous show against a more experienced opponent to win a unanimous decision over Nicky Chalkadakis (Nunawading).

Billy Grey, another Altona Youth Club member put up a courageous show for his first fight to win on a TKO against Harry Neophitou (Fawkner).

In the bantamweight (8 stone, 6 lb.) division Steve Siperki (Altona), the Victorian Schoolboy Champion, fought one of the best fights of his career to win a narrow decision against Mike Cole (Haddfield). It was a ding dong battle in every round with the Altona boy using a good kit of clean punches to the head and body.

The bout was voted the best of the night and Siperki was presented with a silver cup donated by A. H. P. Mackrell, Newport Jewellers, for the best local winner.

The highlight of the night was the bout between two of the best junior lightweights in Australia — Angelo Vassiliadis (Altona) and Andy Watson (Nunawading). Angelo, just back from Sydney after winning the Australian Schoolboy Lightweight Championship, proved he was the best after a second round TKO win.

LITTLE WESTONA ATHLETICS

The first Westona Cross Country Championship run was held on Sunday.

The winners of the 1500 metres were: GIRLS — U.9: J. Rice, 7.06 mins; U.10: J. George, 7.05 mins.

BOYS — U.9: P. Schnyder, 5.54 mins.; U.10: S. Bazga, 6.01 mins. Boys 2400 metres — U.11: S. Penfold, 11.15 mins.; U.12: B. Dodd, 9.56 mins.

As is usual on these days a picnic atmosphere prevailed and no less than two people had an unexpected dip in the river.

Training in future will be on Tuesdays at 5 p.m. from Altona West School. Serious thought should be given to training now as the Regional Championships are in July. Entries close for Victorian Cross Country Championships on June 29.

Some of the supporters looked on a trifle jaded at the run on Sunday which could have been due to the hospitality shown to them at the Clark's home after the Progressive Dinner on Saturday night.

Among those present at the dinner, the proceeds of which went to the Westona Club, was the foundation Secretary, Alex Merrill. Due to illness Nancy Cameron could not be present, all present wish her a speedy recovery.

Altona City Football Club

Altona Under 16 defeated West Newport.

In a one-sided game, Altona, playing brilliant football scored 46-20 to West Newport's nil.

Ken Churchill kicked 20 goals as a rover. Burnett at centre-half-back marked everything and kicked the ball deep into the forward line.

The backline was not pressured all day, but next week against Williamstown will be the test.

Best: Churchill, Featherby, Hampton, Searle, Burnett, Martin.

Altona Rebels Under 18 v. West Newport.

Rebels held West Newport till half-time but lacked team spirit and West Newport took over and took over the game.

Scores: West Newport, 11-10-76; Rebels, 3-4-22.

Best: Zapart, Vanderpoel, Hitchcock, Vandyke, Morgan, Pratt.

Goals: Nowell 2, Hitchcock. Altona City Under 18 v. Newport.

In an evenly-fought match all day Altona hit the front in the time-on period to win by four points.

The standard of the game suggests that this was a preview of this year's grand final.

Scores: Altona City, 11-16-82; Newport, 11-12-78.

Best: P. Tyrell, S. Chatfield, S. Grainger, W. Patton, I. Hardham, W. Groves.

Goals: Patton 3, Groves 2, Valente 2, Chatfield 2, Scarff, Blokeerrus.

HOCKEY TEAM TOPPLED FROM THE FOUR

The Altona A Grade team, after a poor showing in rounds eight and nine, played last weekend, finally came to grief and were toppled from the four.

On Saturday, playing at home, Altona drew with Brunswick one all. Although Brunswick's equalising goal only came seconds before the end the local team were fortunate that three goals scored earlier by Brunswick were disallowed.

The game was of poor standard. Brunswick showed little finesse and man for man were not as talented as Altona, but with many Altona players well below form frustration became evident in bad temper and physical clashes.

Playing at centre-half, Ross Ford scored when he showed great coolness in a pack of players in the goal-mouth, to flick the ball through an opening into the net.

BEST: J. Hunter, R. Ford and R. Luckozky.

On Sunday Altona met Old Scotch at Score Park and took a score board thrashing when Scotch won 4-0.

Altona lifted its game to match the better standard played by Scotch and in midfield play were their equal. However, the inability of the Altona forwards to act positively in front of goals was sharply contrasted by the Scotch forwards who knew exactly what to do and more important, where the net was.

Failure to follow up many shots for goal cost Altona dearly also.

Three nil down at half time, coach Bill Smith must have given the players plenty to think about as the next 15 minutes saw the opposing goal bombarded.

Bruce Forrester broke through time and again. Lack of success and two hard games in a row gradually sapped the strength of the attacks and they petered out.

Altona's problems appear more psychological than physical, as the team has stickwork and fitness to match all A Grade teams, however, the failure of any forward to score a goal in two matches further undermines confidence and positive thinking.

In the second half Bob Verity showed some of the form which helped to win games early in the season and which, for a while, he appeared to have left behind in Perth.

BEST: R. Ford, J. Hunter, G. Bowden and B. Farrester.

C North were defeated by Brunswick 2-0.

Altona suffered their first defeat on Saturday, playing at home against Brunswick. While a poor standard of play was shown by the Altona players, credit must go to Brunswick who played well as a team.

It is generally considered that Altona was getting over confident of ability and position on the premiership ladder, failing to concentrate on the game or to play as a team.

Maybe this shock loss will bring about a revival of the enthusiasm seen at the start of the season.

Good play on the forward line by P. Byrne and R. Smith came unstuck on Brunswick's solid defence.

D North defeated Old Carey 2-1.

Playing at home Altona had their first win for some time when they defeated Carey.

With Pat Shields playing like a champion and the return of Ian McLennan adding strength to the defence Altona, with 2-0 up at half time looked set for a good win.

After interval Altona ran
